Ask Us about Our SWITCH KIT!

Your Credit Union now offers a Switch Kit. This makes it easy for you to get released from the “bonds” of your bank and become a “member” instead of a “number.”

By using our Switch Kit, you can easily change all of your automatic payments and deposits, your direct deposits and more from your bank to your Credit Union. The kit takes care of all the paperwork. We'll even make sure your bank funds get transferred to your account at the Credit Union.

Contact us for a kit today and get released from the high fees your bank is charging you! It's a little like magic!

Use our Switch Kit AND “like” us on Facebook! You may be rewarded!

We've Made Your Life so Easy with Online Banking & eAlerts!!!!

We have an awesome, free product - **eAlerts!!**

You, the member, have the ability to set up a number of different alerts that we can deliver to you in real time, either to your computer or as a text message to your cell phone. You control which alerts you want. You control when you want the alerts. You are in control – and it's FREE!

Here is a sample of the types of alerts available to you:

- ◆ Send an alert when a direct deposit posts to your account
- ◆ Send an alert when your checking gets below a certain balance (you choose the amount)
- ◆ Send an alert X number of days before your loan payment is due
- ◆ Get news alerts for up to the minute information from your Credit Union

****Remember, we may provide you information using these tools, but we'll NEVER ask you to respond or provide any personal or financial information!**

In order to receive the benefits of eAlerts, you must first sign up for FREE Online Banking. Just give us a call at (970) 247-5204 or stop by and we'd be happy to provide you more information!

Go Paperless Today!

Guess how many members received their statement electronically this month? **729!** That means by around noon on the first business day of the month, those members had their Credit Union statement at their fingertips.

Receiving your account information by eStatement is secure, fast and free. All you have to do is sign into home banking, click on the eStatement link and *voilà* you have all your account information. If you already use CU@Home Online Banking, just log into CU@Home and click on the link at the bottom of the page to sign up. If you don't use our home banking, simply give us a call to get started.

You have better things to do with your time than wait for the mail to arrive! Get going on eStatements and experience the freedom!

Traveling? Let us Know **BEFORE** You Leave!

At Southwest Colorado Federal Credit Union your account security is our number one priority. We monitor your VISA debit card activity for potentially fraudulent activity. We may freeze your card if your spending patterns change. If you are traveling to the next state or across the country, please contact us prior to your travel. This way we can effectively monitor your account for purchases made during your trip, hopefully without any interruption to your access. Please provide SWCFUCU with the dates you will be traveling, where you plan on visiting, a valid cell phone number and your email address.

Upcoming Holiday Closures:
