

ATM/VISA Debit Card Order Form

Revised: 02.22.2017

Thank you for ordering your ATM/VISA Debit Card! Please read the following guidelines:

- ATM/VISA Debit Cards have an issue charge of \$10.00 per card every three (3) years (replacements due to loss or damage will cost \$10.00 each).
- The balance the ATM reflects is not always your correct/available account balance.
- Deposits made at the ATM on the Credit Union premises, will be available within two business days; deposits at other ATMs will require a 5 business day hold.
- For expedited credit, we suggest that members use our lobby services or drive up lanes during normal business hours. If the Credit Union is closed, we encourage members to use the Night Drop Deposit (located in the first drive-up lane). Night Drop deposits made prior to 8:00 am will be posted the same business day. Night Drop deposits made after 5:30 pm will be posted the following business day.

Southwest Colorado Federal Credit Union reserves the right to suspend or cancel the use of your ATM/VISA Debit Card at any time without prior notice. If you have any questions, please don't hesitate to contact us.
