

THANK YOU FIREFIGHTERS!

In an effort to thank the firefighters who have been helping our community, we have donated to The Community Foundation of Southwest Colorado. If you have been affected by the 416 Fire and were a member prior to June 1st, please contact us about a special loan promotion you may be eligible for. We are here to help you!

We are thankful to live in such a kind, supportive community!

NEW FACES, SAME GREAT RATES

If you visit the Credit Union office, you'll notice a couple new faces in our loan department. We would like to officially welcome Brenna Morlan and Tania Guerra to our team!

Brenna brings with her more than 20 years of mortgage and financial experience and has served at credit unions in the past. She has been in Southwest Colorado for four years and is happy to be serving members at a smaller credit union once again. Call her at 970-382-3069 if you would like to learn more about financing a home, land, or anything in between!

Tania is originally from California and loves it here in Durango! Tania is fluent in Spanish—we love having a bilingual staff member! She is experienced in consumer lending and has worked at credit unions for 8 years. Tania will help you finance that vehicle you've been eyeing or help you with an unsecured loan. Apply today or call her at 970-382-3074!

Welcome to the team, Brenna and Tania!
